

WD Caviar® Green™ Desktop Hard Drives

The next generation -
now with SATA 6 Gb/s interface.

Cool, quiet, eco-friendly and extremely reliable. Due to WD's innovative WD GreenPower Technology™ the WD Caviar Green internal hard drives offer reduced power consumption as well as best-in-class acoustics and operating temperature. With massive capacities of 1.5, 2 and 3 TB these drives are ideal for high-capacity custom PCs and external storage devices. Besides the award-winning WD Caviar Blue™ and the WD Caviar Black™ series now also the WD Caviar Green drives feature a future-ready SATA 6 Gb/s interface.
