### WD Internal Hard Drives

#### WD Caviar® Blue™ and WD Caviar Black™

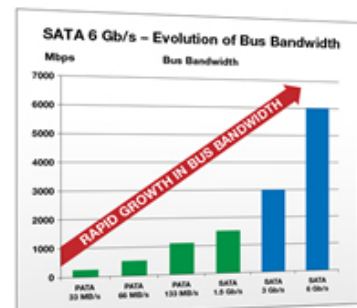

Now shipping with SATA 6 Gb/s interface! Once again leading the way, WD is the only hard drive manufacturer currently offering a full lineup of SATA 6 Gb/s models. We've added the new interface to our award-winning WD Caviar Blue and WD Caviar Black desktop hard drives in capacities from 250 GB to 2 TB. This transition to a SATA 6 Gb/s interface aligns with the introduction of SATA 6 Gb/s-supporting chip sets and motherboards coming soon to the market.

#### WD Caviar® Green™ 3 TB Desktop Hard Drives

The world's largest capacity internal hard drive. Now available in capacities up to 3 TB, WD Caviar Green SATA hard drives reduce power consumption and offer best-in-class acoustics and operating temperature. Based on WD's exclusive WD GreenPower Technology™ they are ideal for PCs, external storage and other devices that require lower power consumption and cool, quiet operation.
